## NTX Series: Compact, Quiet, Powerful Performance

The NTX Series of inverters provide high efficiency, clean, reliable pure sine power to sensitive devices such as a CPAP machine, LCD TV, laptop, microwave or blender. Its compact size is ideal for sleeper cabs in long haul trucks with small storage compartments.

- High surge capacity, for use with heavy duty tools
- Whisper quiet operation, ideal for sleeper cabs
- Low profile, easily mounts under beds or seats
- NTX-RC remote included with all NTX inverters

2 YEAR LIMITED WARRANTY
