

Samlex Inverters are Certified for Safety

  **ETL Certified**

  **UL Certified**

  **FCC Certified**

  **CSA Certified**

  **CE Certified**

  **RoHS Compliant**

ETL, UL and the other certifications require Samlex to use approved components and test against a known and regulated standard. All test labs make quarterly inspections of the Samlex manufacturing facilities to ensure products are being manufactured and tested consistently to ensure continuous compliance to each of the certifications.

SAM SERIES Modified Sine Wave & Power Inverters

- Designed to fit small spaces
- Load controlled cooling fan
- Soft start technology
- Durable construction
