

Formula Blue Warranty

Industry's Best Warranty/2x better than the competition!

- E111 (HD pads) **4 Year Warranty/unlimited mileage**
 - E109 (Prem. Pads) **3 Year Warranty/unlimited mileage**
 - E305 and E107 (Standard pads) **2 year Warranty/unlimited mileage**
 - E125 (HD Rotor) **4 year Warranty/unlimited mileage**
 - E126 (Premium Rotor) **2 year Warranty/unlimited mileage**
 - E146 (Reman. Caliper) **1 year Warranty/unlimited mileage**
-
- Meritor has 1 year warranty on hydraulic pads and rotors.
 - Performance Friction has a 2 year warranty on hydraulic pads/rotors.
 - Formula Blue warranty covers product workmanship.

Performance Friction vs. Formula Blue

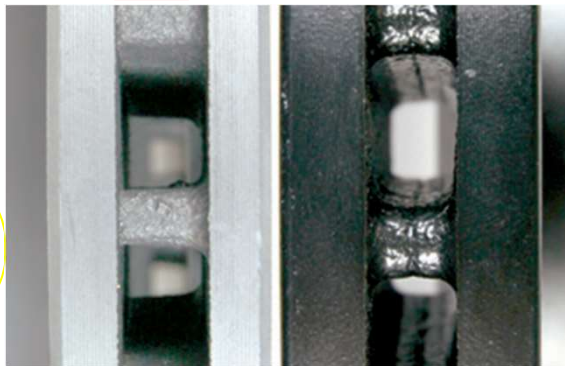

- Formula Blue rotors are **E-coated with a 400 hour Salt spray test**
- Formula Blue rotors have an **E-coated cast in tone ring**
- All PFC rotors have a zinc tone ring, but are not coated otherwise
 - Therefore, your rotor will rust except the ADB tone ring and can put you out of service!
- Both PFC and Formula Blue pads have anti-corrosion backing plates
- PFC has **2 Year warranty** for both pads and rotors
- Formula Blue has a **4 year warranty** for both E111 Pads and E125 Rotors (both PFC equivalents)

PFC Rotors:

Rotors are not E-coated, therefore are prone to excessive rust in the fins and hat of the rotor

PFC

F.B.

Formula Blue Rotors:

H.D. versions fully E-coated (E125). Our rotors are not prone to rust and a vehicle being put out of service

Meritor vs. Formula Blue

- Formula Blue rotors are E-coated with a **400 hour Salt spray test**
- Formula Blue rotors have an **E-coated cast in tone ring**
- All Meritor AM rotors are not coated, therefore no rust protection!
 - Therefore, your rotor **will rust and you will be put out of service!**
- All Meritor MD pads do not have an anti-corrosion backing plate

- Meritor has **1 Year warranty** for both pads and rotors
- Formula Blue has a **3 year warranty** for all E109 pads (Meritor equivalents)
- Formula Blue has a **2 year warranty** for E126 (non-coated) rotors
- Formula Blue has a **4 year warranty** for all E125 (E-coated) rotors

Meritor Rotors:

Rotors are not E-coated, therefore are prone to excessive rust in the fins, tone ring and hat of the rotor

Formula Blue Rotors:

H.D. versions fully E-coated (E125). Our rotors are not prone to rust and a vehicle being put out of service
