

TRUX

**PROGRAMS &
DISPLAYS**

TRUX PROGRAMS

Enhance your showroom with Trux's new Product Programs, that are composed of Trux's Top Selling Products.

Trux's Product Programs are designed with your business needs in mind, arranged with a fixed assortment of products & MOQs that will increase sales and deliver results.

Multiple programs include an interactive "light up" display & merchandise tower that allows customers to see all of the products available at their fingertips.

Product Programs include Trux's favored product lines; such as LED Headlights & Assemblies, Dual LEDs, Work Lamps, Fenders, Universal Accessories & more.

Trux Product Programs take all the guess-work out of ordering, so that you can focus on selling!
