Alliance Cooling System Cleaner is specially formulated to remove oil, hydraulic and transmission fluid from heavy duty cooling systems. It disperses dropout, and helps remove silicate gel, scale, build-up and other deposits. Requires less flushing than other cleaners, Penray RTO Cooling System Cleaner will not harm seals and metals.

Alliance Multi-Purpose Degreasing Wipes are solvent-free, waterless cleaners that cut through the toughest grease, oil, tar, dirt, wax, ink, wet paint, lubricants, adhesive and scuffs. They are extremely versatile, and can be used for nearly any job, from cleaning tools, to wiping hands, to cleaning machinery. They can safely be used on many surfaces such as leather, vinyl, wood, metal, porcelain, counter tops, tile and walls. ALLIANCE Multi-Purpose Degreasing Wipes are also great for automotive, marine, RV and general home use.

These wipes are industrial strength, yet gentle on skin – fortified with an emollient, they won't crack or dry hands. Will not remove nail polish or car paint. The textured side of the fabric won't scratch surfaces and is ideal for scrubbing tough soils, while the smooth side wipes surfaces clean.
