### Product Highlights

Alliance 20 Prem, 23 Prem and 23 HD reman brake shoes come with industry proven rust jacking coating that offer all the advantages of the nine-step brake shoe remanufacturing process.

Each shoe is completely remanufactured – not rebuilt – and restored to the same high-quality performance standards as original production brake shoes.

Alliance truck parts are backed by a 1-year/unlimited-mile standard warranty.

## General Product Information

### Detailed product description

Alliance Truck Parts offers remanufactured shoes through our 1-piece program or our mix and match trailer load program.

Customers can mix with new and reman shoes in a trailer and receive trailer load discounted pricing.

Trailer loads consist of 22 full pallets of new and reman shoes. Select parts are available on our 10-day ship program.

Customers can order select parts on a trailer load order and they will build the order and ship within 10-days.

## Warranty Information

1-year/unlimited-mile standard warranty.
