Brightness: 1500 cd/m²

Power Supply: 12 Vdc

Maximum Number of Inputs: 2

Shock Rating: 100g

Vibration Rating: 15g

Working Temp. °F (°C): -14° to 140° (-10° to 60°)

Top Movers - Rosco Interior Rear View Mirror

Part Number	Description
RPS STSK6630	Rearview Mirror/Monitor Display

General Product Information

MOR-Vision® 6" X 30" Mirror w/ 7" High Brightness Monitor

MOR-Vision® STSM630 is part of the STSK6630 kit which offers automated safety for school buses. No driver input is required, and the monitor is only activated when triggered. Buses equipped with MOR-Vision® have options for multiple cameras & automatic monitor view changes based on the operational conditions of the bus. If the bus is in reverse, the rear backup camera view appears in the monitor. If the monitor is not activated, a normal mirror view reappears. With 2 Camera inputs, this monitor is ideal to keep your fleet safe.

Warranty Information

We warrant that all ROSCO mirror, camera, sun visor, and electronic vision products are free from defects in workmanship and materials for a period of ONE (1) YEAR (unless specified longer) from the date of receipt of the product. During the warranty period, we agree to provide a replacement for (or at our option repair) any ROSCO product and/or any one or more component parts of a ROSCO product, which malfunctions under normal use and service.
