
Syntec Seating Solutions

Syntec Seating Solutions (<https://www.syntecseating.com/>)

Product Highlights

Feature or benefit

- Covers made to Thomas specifications using OEM material to ensure proper color, grade and embossing.
- Cover material is UV protected to Thomas specifications to minimize discoloration.
- Kevlar thread is used in both Pro and Kevlar covers for added strength and "Boston Burn" compliance.
- All covers made in High Point, NC by Syntec Seating to ensure quick delivery.

Additional Information

- 2014 Thomas changed to a more tapered seat back for the 45" seat.
- The "Thomas" seat can easily be identified by the round tube constructions vs. the square tube S3B

The new seatback profile start dates are as follows:

- Minotour - All buses built on or after January 23, 2014 - Starting Body # 1311570
- C2 - All buses built on or after January 27, 2014 - Starting Body # 1430019
- Transits - All buses built on or after February 24, 2014 - Starting Body # 1461191
