Legal Notice & Privacy Policy

Alliance OAT Extended Life Coolant

Alliance OAT Extended Life Coolant is a NITRITE-FREE, patented, non-silicate, non-phosphate formula that eliminates inhibitor dropout and scale problems. Alliance OAT Extended Life Coolant keeps the cooling system running cooler and components lasting longer while providing complete protection against corrosion, erosion and cavitation for 1,000,000 miles/20,000 hours of cooling system protection.

Alliance Fully Formulated SCA Pre-Charged Coolant

Alliance Fully Formulated SCA Pre-Charged Heavy Duty Diesel Engine Coolant is pre-charged with supplemental coolant additives in a Pink Conventional low silicate, non-phosphate formula that helps prevent inhibitor dropout, scale deposits, and gel problems frequently associated with diesel engine cooling systems for 2 years/25,000 miles.

Alliance Green Coolant

Alliance Green Coolant is a Conventional low silicate Automotive formula that requires the addition of Supplemental Coolant Additives to be used in Heavy Duty Diesel applications.

Warranty Information

1 year, unlimited mileage.
