ABP R01 23536835	VPOD, 24V	ELECTRONICS	Series 60/50

#### **General Product Information**

Remanufactured engine components from Alliance Parts provide a cost-effective alternative to new parts with performance, durability and reliability that meet or exceed the original equipment manufacturer. Not simply a rebuild, our remanufacturing process begins by using only high-quality cores and replacement components. Combine this with industry leading remanufacturing experience and expertise, we deliver engine components you can trust.

### **Warranty Information**

#### Backed by the Alliance 1 Year / Unlimited Mile Warranty
