

Product Highlights — Aptiv Radios

- SAE J1455 Compliant: Built to withstand the extreme driving environment of a commercial vehicle
- Weather Band: Offers 7 weather band frequencies/channels free-of-charge to provide continuous weather information 24/7
- Front Auxiliary Input (Music Port): Allows a driver to plug in a smart device and play digital music files through the vehicle's built-in speakers
- Rear Auxiliary Input: Provides an auxiliary terminal for permanent hard wire to the rear side of the radio
- SAE J1939 Compliant: Allows different vehicle components that run the communication bus system to talk to each other; compatible with most digital steering wheel/rear sleeper controls
- **ISO Connector:** Allows the radio to be connected directly to the vehicle's harness; no other harness is required no cutting, no separate accessories to purchase for vehicles manufactured with the ISO connect harness
- Direct Antenna Connect: Direct connect for an AM / FM / WB radio antenna; and on SAT-integrated radio models a direct connect for Satellite radio antenna
- Sound Quality (EQ) Function: Select the sound type (Pop, Rock, Country, News, Jazz, Classical, or Manual)
- Separate Bass, Mid, Treble, Balance and Fader Controls
- Built-In Quartz Alarm Clock with One Hour Timer
- Output Power 18 Watts x 4 Channels
- 6 AM / 12 FM Preset Buttons
