

## Connector Kits

Alliance Connector Kits are an affordable and flexible option to repair specific connectors within a harness instead of replacing the harness itself!

Sales Sheet - Alliance Connectors

# Product Highlights

## Replacement

Connector Kits allow for replacement of a specific section instead of the entire harness

## Assembly

Connector Kits are assembled to OE standards at an OE manufacturing facility

## Testing

Tested to OE standards at an OE manufacturing facility

## Materials

All materials used are that of OE standard, and used in OE harnesses

## Quality

Connector Kits are produced with OE material, assembly and quality standards

## Compatibility

Drop in OE replacement for specific connectors
