

Eaton Transmissions

## Reman Transmissions

- Eaton Reman transmissions are second only to a new transmission. They are remanufactured using 100% genuine Eaton content and dyno tested to ensure the quality and design updates of a brand new Eaton transmission.

### Standard Reman Transmission

- Direct replacement transmission, expertly remanufactured using genuine Eaton procedures and content. Dyno tested for optimal performance, and backed by Roadranger support.

## Top Movers - Eaton Transmission

Part Number	Description 1	Description 2	Application Information
FLEX Reman Transmission	FLEX part numbers cover a range of models, reducing inventory complexity	Remanufactured with 100% genuine Eaton content	Same / next day delivery
Standard Reman Transmission	Direct replacement, specific to torque and shift bar configuration	Remanufactured with 100% genuine Eaton content	2 year warranty (linehaul and vocational applications)

## General Product Information

**Second only to a new transmission.**

You have many options for rebuilt transmissions, but only an Eaton Standard Remanufactured Transmission gives you the same quality and content as a new Eaton transmission.

## Warranty Information

- 2-year warranty for linehaul and vocational applications
- Additional 1-year warranty when included in a Reman Bundle\*

#### **The Eaton Reman Bundle**

- Receive an enhanced 3-year transmission warranty and an additional year of clutch warranty when you bundle a Standard or FLEX Reman transmission with an Advantage Series or EverTough clutch and Eaton-approved lubricant. Standard warranties apply on individual purchases of the transmission and clutch.

## **FLEX Reman Transmission**

### **FLEX Reman Transmission**

- FLEX reman transmissions fit a range of models and allow you to simplify your inventory, and ship fast for truck down repairs. 100% genuine Eaton content and backed by Roadranger support.
