Alliance Mattress and Accessories Program

The Alliance Mattress and Accessories Program is a complete line up of sleeper mattresses (Value Line, Choice and Premium), offering a wide variety of mattress constructions to cover the many differing sleep preferences and comfort levels of drivers while also offering a variety of price points to fit differing fleet budgets. With over eighty different models/sizes to choose from, this is the largest, all-makes mattress program in the truck market.

Product Highlights - Alliance Mattresses

Alliance Value Line Mattress

4" Indura Spring Mattress- A two-sided, spring mattress using a new age 3" Indura Spring poly core, with a ½" Fiber cushion topper on both top and bottom. Smooth, black Stitchbond zipper cover. MVSS-302 compliant for flammability resistance.

6" Indura Spring Mattress- A two sided spring mattress using a new age 5" Indura Spring poly core, with ½" Fiber cushion topper on both top and bottom. Smooth, black Stichbond zipper cover. MVSS-302 complaint for flammability resistance.

6 ½" Convoluted Gel Foam Mattress- a one sided, Gel foam mattress constructed with a 4.5" convoluted foam core and a 2" convoluted Gel foam topper. Smooth, black Stichbond zipper cover. MVSS-302 complaint for flammability resistance.

Alliance Choice Line Mattress

Quilted Innerspring Mattress- a two-sided, innerspring mattress constructed with a 312 heat-tempered steel innerspring coil, e-pad and high density foam topper with plush ¾" fiber quilted cover for added cushion. MVSS-302 compliant for flammability resistance.

Foam Encased, Quilted Innerspring Mattress- A two-sided, innerspring mattress constructed with a 312 heat-tempered steel innerspring coil, high density foam topper and side support for added comfort and stability.

Quilted 4" Foam Mattress- A two-sided, foam mattress constructed with a 4" high-density polyurethane foam core with plush ¾" fiber quilted cover for added cushion. MVSS-302 complaint for flammability resistance.

Quilted 6" Foam Mattress- a two-sided, foam mattress constructed with a 6" high-density polyurethane foam core with plush ¾" fiber quilted cover for added cushion. MVSS-302 complaint for flammability resistance.

Nylon Innerspring Mattress- a two-sided, innerspring mattress constructed with a 312 heat-tempered steel innerspring coil, e-pad, and high density foam topper with a smooth, blue, water repellent, nylon zipper cover. MVSS-302 complaint for flammability resistance.

Nylon Innerspring Mattress w/ Border Wire- a two-sided, innerspring mattress constructed with a 312 heat-tempered steel innerspring coil with border wire and side support for added comfort and stability. MVSS-302 complaint for flammability resistance.

Nylon Mattress Replacement Cover 4 sizes- Smooth, solid blue, water repellent, nylon zipper replacement covers.

Nylon Mattress Replacement Cover 1 size- Smooth, solid blue, water repellent, nylon zipper replacement for innerspring mattress with border wire. For ABP N60C 697169 and ABP N60C 695553.

Alliance Premium Line Mattress

5" Premium Indura Spring Mattress- dual-sided "sprung" mattress featuring lightweight, eco-friendly, CF Polymer core. The comfort of an innerspring without the added weight. 1" quilted foam in the cover for the added comfort. Soft and breathable.

7" Premium Innerspring Mattress- Designed to promote a healthy and restful night's sleep. Dual-sided plush foam layers, the Journey's innerspring core is enveloped in layers of premium quilted foam, giving the mattress two sides of comfort for a longer life added, and durability.

8" Premium Memory Foam Mattress- built with high-density foam core and topped with a layer of luxurious, supportive memory foam. This mattress helps alleviate pressure and moderate body temperatures while asleep.

10" Premium Gel Foam Mattress- ATP's premium Gel-Infused Foam mattress allows your body to maintain a cooler temperature while at rest, helping promote a more restful and rejuvenating sleep. Built for cool comfort, the mattresses' no-flip, Euro-top construction and high density foam core create a sleep solution that's just as supportive as it is comfortable.

Accessories and Adjustable Sheet Set

Washable Pillows- A quality pillow promotes proper spinal alignment and provides the right balance of support and luxurious comfort. Machine Washable, available in both jumbo and king size.

Tencel® Shredded Memory Foam- Combining the temperature regulating qualities of shredded memory foam with the long-lasting softness of Tencel® is the latest innovation in comfort technology. Shredded memory foam pillows are naturally pressure-relieving to ensure deep, relaxing and a restful sleep.

Adjustable Sheet Set- Our Adjustable Sheets are specifically designed for uniquely shaped trucking mattresses. The drawstring construction in the fitted sheet enables a snug fit whether your mattress has unconventional dimensions or cut corners to fit the space in your truck.

General Product Information

The Alliance Mattress line covers all major OEMs. The Alliance Mattress program offers a wide breadth of products to meet the needs of every customer. While other programs may stop at mattresses and force a consumer to look elsewhere to purchase their bedding accessories, the Alliance Mattress program includes quality accessories at a value price. Some key advantages of the Alliance Mattress program include:

- Complete line up of sleeper mattresses (Value Line, Choice, and Premium)
- Wide variety of mattress constructions to cover many differing sleep preferences and comfort levels
- Wide variety of price points to fit differing fleet budgets
- Over 80 different models/sizes to choose from

But the best advantage of the Alliance Mattress Program is that it offers all of this quality, versatility, and coverage without compromising one of the most competitive price points in the market.

Warranty Information

Alliance Value Line – 1 year

Alliance Choice Line – 1 year

Alliance Premium Line – 3 years
