Product Highlights

HOLLAND FW35

The world's most popular fifth wheel.

LOAD CAPACITY: 55,000 lbs Vertical Load

PULL CAPACITY: 150,000 lbs. Drawbar Pull

The FW35 Series is the world's most versatile and proven fifth wheel. This premium fifth wheel is designed for years of guaranteed performance, and has been the foundation for revolutionary new ideas that expand fifth wheel function and value.

HOLLAND FW31

An over-the-road, fifth wheel with NoLube technology.

LOAD CAPACITY: 55,000 lbs. Vertical Load

PULL CAPACITY: 150,000 lbs. Drawbar Pull

The FW31 combines the proven reliability of the FW35 top plate with the innovation of patented HOLLAND NoLube technology to provide the industry's first completely grease-free fifth wheel. The FW31 Series eliminates the use of grease on the top plate surface, between the top plate and bracket, and in the lock mechanism.

Benefits of a HOLLAND NoLube Fifth Wheel:

- Reduces lubrication cost and time.
- Extends maintenance intervals and improves shop productivity. Absence of grease allows mechanics to work faster.
- Maintains consistent steer effort, even in sharp turns, to help reduce steer tire scrub/wear.
- Keeps shops safe and clean while helping to meet EPA regulations.
- Preserves the environment and prevents excess grease citations and fines.
- Improves driver productivity – no re-greasing on the road while providing a smoother, more fluid ride and constant feel for the way the trailer pulls.

HOLLAND FW33

An over-the-road, fifth wheel with LowLube technology.

LOAD CAPACITY: 55,000 lbs. Vertical Load

PULL CAPACITY: 150,000 lbs. Drawbar Pull

The FW33 is designed specifically for the vocation industry. It combines the proven reliability of the FW35 top plate with the innovation of patented HOLLAND LowLube technology to provide a grease-free fifth wheel. The FW33 Series eliminates the use of grease on the top plate surface and between the top plate and bracket.

Benefits of a HOLLAND LowLube Fifth Wheel:

- Reduces lubrication cost and time.
- Extends maintenance intervals and improves shop productivity. Absence of grease allows mechanics to work faster.
- Maintains consistent steer effort, even in sharp turns, to help reduce steer tire scrub/wear.
- Keeps shops safe and clean while helping to meet EPA regulations.
- Preserves the environment and prevents excess grease citations and fines.
- Improves driver productivity – no re-greasing on the road while providing a smoother, more fluid ride and constant feel for the way the trailer pulls.

The FW33 fifth wheel is available with a variety of options and accessories. See all available options and accessories for the FW33 in the right-hand column.

Warranty Information

SAF-HOLLAND warrants all Commercial Products (products other than those normally used for personal, family or household purposes) manufactured by it, when properly installed, to be free from defects in material and workmanship under normal use and service for a period of two years from the date of manufacture with the exception of elevating fifth wheels, for which the warranty period is ninety (90) days. This warranty is void with respect to any product which has been altered in any way from its manufactured condition such as by intentional modification, accident, corrosion, misuse, failure to provide necessary and reasonable maintenance, and is exclusive of normal wear. Written authorization from SAF-HOLLAND must be obtained prior to returning any part or parts. No charges for transportation or for labor performed on SAF-HOLLAND products by unauthorized persons will be allowed under this warranty. SAF-HOLLAND extends a limited warranty on all Consumer Products (products normally used for personal, family or household purposes) to the retail purchaser only. A copy of the current Consumer Products Limited Warranty for extension to the retail purchaser may be obtained from SAF-HOLLAND upon request.
