## Easy Install. Less Downtime. Longer Life.

### Exclusive Bi-Directional Lip Seals

Designed to be installed in both directions prevents the threat of air locks in the system.

SteerKing's bi-directional seals take the guessing out of installation.

### Pre-Greased Bearings

Grease is king when it comes to steering.

Extend life and save valuable time with SteerKing's pre-packed bearings.

### Grooved Pins

Who's feeling Groovy? We are!

SteerKing's pins are always grooved to allow 2-3x more grease, extending the kingpins life.

### Shop-Ready Box

Parts in their place, where they should be.

SteerKing's tool-box packaging is designed to prevent contamination and loss of parts.
