Gunite Ductile Iron Hubs

Accuride Wheel Ends Product Search (<https://www.accuridecorp.com/product-search>)

Your single source for industry leading wheel-end technology.

Product Highlights

Gunite Ductilite ductile iron hubs are the lightest weight, non-ADI hubs available

Rugged dependability you need without the high cost of ADI or aluminum hubs

Lower maintenance costs and improved wheel-end performance

General Product Information

Accuride is the industry's only single source to supply both steel and aluminum wheels and a range of wheel-end components and assemblies for commercial vehicle OEM, fleet and aftermarket customers. Accuride delivers products with reliable quality and performance, competitive prices and lead times. The company's products are marketed under its brand names, which include Accuride®, Accuride Wheel End Solutions™, Gunite® and KIC®.
