

Spicer ReadyCarrier™ Program

Next-Day Direct Shipment of Service Carriers

PROBLEM

"Heavy duty service carrier replacement is complicated and can keep a truck down for days."

SOLUTION

With the Spicer ReadyCarrier™ Program for commercial vehicles, Dana offers shipment of a complete new service carrier assembly by the next business day, with easily trackable delivery.

When a commercial vehicle is down, Dana is there to meet your need for a fast-turnaround aftermarket service carrier solution. The Spicer ReadyCarrier™ Program offers the convenience that you demand, providing world-class service carrier assemblies that are shipped within one business day of order and feature warranty coverage.

FAST, FREE SHIPMENT!

Spicer® Carrier Assemblies for Commercial Vehicles

PROBLEM

"With so many parts that can potentially fail in an axle carrier, from gearing to oil seals, I need to be sure that every single part is of premium quality."

<u>\$170D391EX</u>	S170D391CF

Reliable, Affordable, and Fully Warrantied — with Extended Coverage Now Available!

Spicer medium-duty and heavy-duty axle carriers are built with 100% Spicer parts, with premium gearing, bearings, and oil seals in every unit.

In addition, we offer a full 3-year warranty, as well as the option for customers to extend it to a 4-year warranty* when using Spicer FE 75W-90 or XFE 75W-85 lube (https://spicerparts.com/parts/lubricants/commercial/fuel-efficient-synthetic-gear-lubricants) in linehaul applications.

Ratio Flex Program

Don't let the wrong ratio stall your stock truck sale.

Swap heads for the wanted ratio and close the deal!

The Program

The Spicer Patic Flevibility Program is designed to help dealers close sales of stock vehicles that otherwise might be in joinardy.

Privacy Information

We like to continuously improve our website and enable you to use it in the best possible way. For this, we work with our partners to improve your experience. You may opt-out at any time. For detailed information about personal information we collect and third parties having access to it, please select "More Information" or refer to our Privacy Policy.

Eligibility

Stock vehicles which have never been licensed and are equipped with Spicer axles as original equipment.

Warranty Coverage

Vehicles equipped with Spicer axles continue to qualify for full warranty coverage as specified by the OEM as long as all qualifications for warranty, including lubrication requirements and application limits, are met. Refer to Spicer Warranty Guide SWGR1 for specific warranty coverage and limits.

NOTE: Dana will process orders and request shipping of replacement product within 10 business days. While the intent is to ship product before the 10 days, it does not constitute a guarantee shipping date.

Victor Reinz® Reinzosil® RTV Silicone

Globally Trusted, Available Worldwide

Victor Reinz® Reinzosil® is a permanently elastic, universal silicone sealing compound with excellent resistance to fluids and extreme temperatures. Its durability, flexibility, and versatility make it a favorite among import car repair specialists. Reinzosil is the RTV sealant of choice in Europe; now, Victor Reinz brings this exceptional, in-demand product to the North American aftermarket.

One Tube Does it All

While there is a huge variety of RTV silicones on the market to choose from, high-quality, versatile Reinzosil offers a "one-tube" solution. Effective SKU consolidation saves you inventory space and dollars, and avoids ordering hassles.

- Reinzosil can replace a dozen or more different varieties of RTV
- Rather than various tube sizes that clutter your shelves, the 70 ml "shop-sized" Reinzosil tube is the correct volume for most customer application

Reinzosil Features

- Resistant to temperatures from -58°F to 482°F, and briefy up to 572°F (-50°C to 250°C, briefy to 300°C)
- Insignificant shrinkage and loss of mass
- No corrosion
- Fast curing
- Non-hazardous substance
